Creative Writing Award Guidelines

Art Reach of Mid Michigan is currently accepting submissions for the annual creative writing award. This award was established in memory of Jo Stephenson, a professional journalist employed with Central Michigan University until her death in 1991.

This \$250 cash award may be used in any way the recipient feels will be most beneficial in helping to develop his/her writing.

To qualify, each student must:

1. Reside in Isabella or Gratiot County
2. Be a graduating high school senior
3. Submit a letter of application that includes full name, address, phone number, and name of high school currently attending
4. Submit one sample of original prose or poetry, not to exceed 250 words, that is typewritten, ready for publication, and signed by a high school counselor or teacher acknowledging the work as original.

Material that has not been previously published and that has been published in some form will be considered equally. Judges decision will be based on originality and creativity, with strong consideration placed on correctness of form.

Send or deliver entries by 5 p.m. on April 6, 2010 to:
